

## Install Dependency

npm install

npm install --save babel-cli
npm install --save babel-loader
npm install --save babel-preset-es2015
npm install --save babel-preset-react
npm install --save nodemon
npm install --save react-hot-loader
npm install --save webpack
npm install --save webpack-dev-middleware
npm install --save webpack-hot-middleware
npm install --save axios
npm install --save babel-cli
npm install --save babel-loader
npm install --save babel-preset-es2015
npm install --save babel-preset-react
npm install --save body-parser
npm install --save classnames
npm install --save express
npm install --save lodash
npm install --save nodemon
npm install --save react
npm install --save react-dom
npm install --save react-hot-loader
npm install --save react-redux
npm install --save react-router
npm install --save redux
npm install --save redux-thunk
npm install --save validator
npm install --save webpack
npm install --save webpack-dev-middleware
npm install --save webpack-hot-middleware

## **Folder Structure**

- **Client**
  1. **Actions(loginAction.js, signupActions.js)**
  2. **Components(login,Signup,App.js,Greetings.js,loggedin.js, NavigationBar.js)**
  3. **Index.js**
  4. **Routes.js**
- **node\_modules(All Dependency install files)**
- **server**
  1. **routes(Users.js)**
  2. **index.html**
  3. **index.j**
- **.babelrc**
- **package.json**
- **README.pdf**
- **webpack.config.dev.js**

## **How to Run Project**

npm run server

## Screenshot

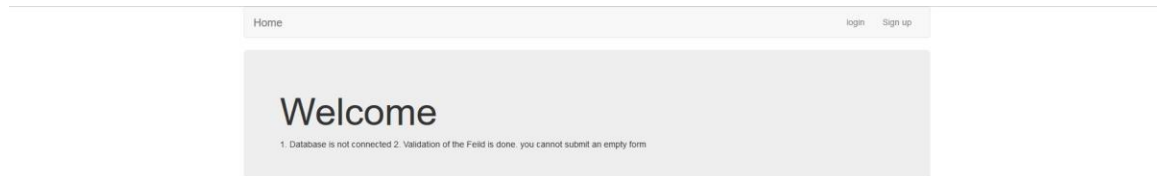

Figure 1 Welcome Page

The screenshot shows a sign-up form titled "Join our community!". The form is centered on the page. It has a light gray navigation bar at the top with "Home" on the left and "login" and "Sign up" on the right. The form fields are as follows:

- First Name**: A text input field with the value "charvik".
- Last Name**: A text input field with the value "Required".
- Email**: A text input field with the value "charvik202".
- Phone Number**: A text input field with the value "9999".
- Password**: A text input field with the value "\*\*\*\*".
- Password Confirmation**: A text input field with the value "\*\*\*".

At the bottom of the form is a blue button labeled "Sign up".
